

Product data sheet

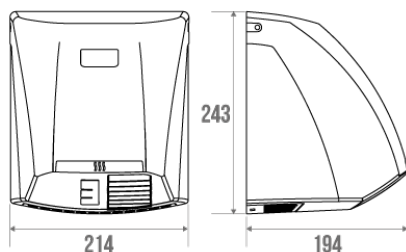

Information

Designation	2100 W automatic Hand dryer, mat black ABS
Reference	872219

Product advantages

- + **Vandal-resistant.**
- + **Excellent value for money.**
- + **Fashionable color for an elegant design.**

Description

Power supply : 230 V - 50-60 Hz.
Output : 190 m3/h.
Classification: IP23.
Electrical insulation: class II.
Sound level : 69 dBA.
Resistance up to 1900 W against overheating and power surges.
Rated power : 2100 W.
Automatic start.
Universal motor.

Perfectly suitable for both uses in the hotel industry and in the Institutions.

Technical characteristics

Color	Mat black
Material	ABS
Gross weight	1.990 kg
Packaging	Printed Cardboard box
Made in France	yes
Maintenance	yes
Guarantee	3 years
Gencod	3563398722192
Custom code	3922900000
Technical sheet	No technical sheet available

Fixing and maintenance advices

UL94 V0 fire class degree: self-extinguishing flame-retardant materials. Antivandalism. Careful consideration and selection of the appropriate wall fixings according to the wall-mounted support is required to ensure the long life of your accessory. The use of stainless steel screws (Ø 4 mm) is highly recommended to prevent corrosion in damp environment. Before drilling, physically hold the product against the wall at desired position and mark the hole locations. All the fixing points must be respected. After installation and before use, make sure that all fixing screws are tightened securely.
