Product data sheet

Information

Designation	Double towel rail, 590 mm, White Epoxy-coated Steel, tube Ø 25 mm
Reference	013260

Description

2 fixed arms.
Concealed fixings.
White synthetic resin flanges and cover plates.
Steel tube Ø 25 mm.

Wall fixings not included.
Range coordinated with our white epoxy-coated aluminium grab bars.

Technical characteristics

Finish	Epoxy-coated
Color	White
Dimensions	590 mm
Diameter Ø	25 mm
Material	Steel
Gross weight	0.760 kg
Packaging	Plastic protection bag + Hanger for display
Made in France	yes
Maintenance	yes
Guarantee	1 year
Gencod	3563390132609
Custom code	7324900010
Technical sheet	S00001461_IND_10
Spare parts	Ref. 013008, Flange (per piece). Ref. 049000, White cover plates (per pair). Ref. 049005, White cover plate (per piece).

Fixing and maintenance advices

All dimensions and specifications are given for information purposes only and can be changed without notice in order to improve our products.

Careful consideration and selection of the appropriate wall fixings according to the wall-mounted support is required to ensure the long life of your accessory. The use of stainless steel screws (Ø 4 mm) is highly recommended to prevent corrosion in damp environment. Before drilling, physically hold the product against the wall at desired position and mark the hole locations. All the fixing points must be respected. After installation and before use, make sure that all fixing screws are tightened securely.
