# PELLET

## **ARSIS STRAIGHT BAR**

White & Matte Chrome 049960

#### **PRODUCT DESCRIPTION**

The ARSIS aluminium grab bar can be installed in a shower or bathtub area. It can be positioned vertically, horizontally or 135°. It allows you to cross the step of a tray or the edge of a bathtub (in an upright position only), to keep your balance in a standing or sitting position, to get up and to transfer from one support to another.

It will bring a touch of design and modernity to your bathroom. It offers an optimal grip thanks to its  $38 \times 25$  mm elliptical tube.

The fixing covers are made of polymer.

ARSIS straight bars are available in several sizes and colours and can be combined with ARSIS shower seats.

### **PRODUCT ADVANTAGES**

**CONCEALED FIXINGS** 

MADE IN FRANCE
