

TECHNICAL SHEET

ANTIBACTERIAL STRAIGHT BAR

White

490130

PRODUCT DESCRIPTION

The 30 mm diameter aluminium grab bar can be installed in a shower or bathtub area. It can be positioned vertically, horizontally or 135°.

It allows you to cross the step of a tray or the edge of a bathtub (in an upright position only), to keep your balance in a standing or sitting position, to get up and to transfer from one support to another.

Its antibacterial treatment guarantees optimal hygiene by reducing cross-contamination in public spaces.

The bases and fixing covers are made of polymer.
