

## TECHNICAL SHEET

### ABS SOAP DISPENSER

Grey

872159

#### PRODUCT DESCRIPTION

This soap dispenser has a capacity of 700 ml.  
Made of ABS, a highly durable and easy-to-clean composite material, this dispenser is perfect for use in busy public spaces.  
It has a key lock and a removable tank.  
Easy to install, it is compatible with a wide range of liquid soaps including hydroalcoholic gel, thus offering great flexibility of use.
