

DOUBLE-SIDED MAGNIFYING MIRROR

005570

PRODUCT DESCRIPTION

Perfect for everyday beauty and skincare routines, this mirror is designed to provide optimal flexibility and precision. The 3x magnifying mirror is ideal for tasks that require careful attention, such as applying makeup or waxing eyebrows, while the normal mirror allows for a global overview of your face. Thanks to its articulated arm extendable up to 300 mm, you can easily adjust the position of the mirror according to your needs, thus offering unparalleled comfort of use. Made with high-quality materials, it fits elegantly into any bathroom or beauty area, adding a touch of sophistication to your daily routine.
