

MAXI PAPER TOWEL DISPENSER

Grey
872079

PRODUCT DESCRIPTION

This paper towel dispenser with rounded lines is ideal for high-traffic environments such as offices, shopping malls, public facilities. Its robust and secure design ensures easy and hygienic paper dispensing while minimizing the risk of cross-contamination. Thanks to its large capacity, it requires fewer frequent refills, reducing maintenance time and optimizing the efficiency of cleaning services. It has an ABS cover and a lock. It has a capacity of 450 formats and is compatible with reels up to 205 mm in diameter (associated Pellet reference 870044). Made from recycled plastic, this dispenser is a smart choice to ensure user satisfaction and well-being on a daily basis.
