MAXI TOILET PAPER DISPENSER

Matte Black

872531

PRODUCT DESCRIPTION

This steel toilet paper dispenser is ideal for high-traffic environments such as offices, shopping malls, public facilities. Its robust and secure design ensures easy and hygienic paper dispensing while minimizing the risk of cross-contamination. Thanks to its large capacity, it requires fewer frequent refills, reducing maintenance time and optimizing the efficiency of cleaning services.

It has a key lock. It is compatible with 350 and 500 m rollers with a diameter of 240 mm (ref. 870180 and 870513).

The mandrel has a diameter of 45 mm.

Available in 3 colours (glossy white, matt white and matt black), it will adapt to all needs.

This dispenser should not be installed in chlorinated and bleached environments.
