PELLET

MITIGEUR THERMOSTATIQUE

Chrome plated 802527

PRODUCT DESCRIPTION

The brass thermostatic shower mixer is designed to combine safety, comfort and durability.

Equipped with a cold body to avoid the risk of burns and NF C2 certified, it guarantees reliable use in accordance with standards.

Ideal for people with reduced mobility (PRM), this mixer tap offers precise temperature control while adding a touch of elegance thanks to its brass design.

PRODUCT ADVANTAGES

EASY TO CLEAN
