FRAGRANCE DIFFUSER

White

878390

PRODUCT DESCRIPTION

The automatic fragrance diffuser effectively deodorizes and scents public spaces.

It is programmable, allowing you to choose between 4 time intervals (5, 15, 20 and 30 minutes) and 3 operating periods (day, night and 24 hours), ensuring optimal and personalized diffusion.

It works with 250 ml fragrance refills (lavender or lemon, sold separately).

It is equipped with an LED operating indicator and a key lock.

The diffuser works with 2 LR6 AA batteries (not included).
