

BASTIA WASHBASIN PLAN

White

052616

PRODUCT DESCRIPTION

The BASTIA washbasin is a corner piece of equipment adapted for people with reduced mobility (PRM) ideal for shared spaces, combining design and functionality. It is made of composite material, a mixture of marble powder and synthetic resin (meeting the NF EN 14688 standard). Its smooth, non-porous Gel-Coat coating ensures ease of cleaning and resistance to scratches and temperatures up to 95°. This worktop is equipped with a backsplash and a front skirt. This washbasin is available with or without overflow and can be delivered with a centered hole, on the left or right for the taps or without a hole, depending on your preferences (to be defined when ordering). It is sold without taps or drain drains, giving you the freedom to choose the accessories that suit your needs and style.

PRODUCT ADVANTAGES

EASY TO CLEAN

PRM COMPLIANCE
