

## Product data sheet

### Information

Designation	Flange for curtain rails, 34 x 35 x 50 mm, Chrome and nickel-plated Brass
Reference	004715

### Product advantages

- + Corrosion resistant warranty.

### Description

Concealed fixings.  
Per piece.  
For straight and angled curtain rails in kit Ø 20 mm.  
Supplied with reinforcing sleeve, screws and wall plugs.

Wall fixings included.

### Technical characteristics

Finish	Chrome and nickel-plated
Dimensions	34 x 35 x 50 mm
Material	Brass
Gross weight	0.160 kg
Packaging	Cardboard box
Made in France	yes
Maintenance	yes
Guarantee	10 years
Gencod	3563390047156
Custom code	7418200090
Technical sheet	No technical sheet available

## Fixing and maintenance advices

---

Careful consideration and selection of the appropriate wall fixings according to the wall-mounted support is required to ensure the long life of your accessory. The use of stainless steel screws ( $\varnothing$  4 mm) is highly recommended to prevent corrosion in damp environment. Before drilling, physically hold the product against the wall at desired position and mark the hole locations. All the fixing points must be respected. After installation and before use, make sure that all fixing screws are tightened securely.
