

Product data sheet

Information

Designation	135° angled grab bar, 200 x 200 mm, Chrome and nickel-plated Brass, tube Ø 32 mm
Reference	381532

Product advantages

- + **Concealed fixings.**
- + **Corrosion resistant warranty.**

Description

Concealed fixings.
Symmetrical.
Chrome and nickel-plated brass tube Ø 32 mm.
Bright chrome-plated resin flanges and cover plates.

Wall fixings included.

Technical characteristics

Finish	Chrome and nickel-plated
Dimensions	200 x 200 mm
Diameter Ø	32 mm
Material	Brass
Gross weight	0.870 kg
Packaging	Plastic protection bag + Hanger for display
CE Marking : safe load	150 kg
Laboratory tests	225 kg
Made in France	yes
Maintenance	yes
Guarantee	10 years
Gencod	3563393815325

Custom code

7418200090

Fixing and maintenance advices

Recommended height for the horizontal part : 800 mm from the ground. Grab bars provide support and added safety if properly fitted in accordance with our technical instructions. Careful consideration and selection of the appropriate wall fixings according to the wall-mounted support is required to ensure the long life of your accessory. The use of stainless steel screws (Ø 4 mm) is highly recommended to prevent corrosion in damp environment. Before drilling, physically hold the product against the wall at desired position and mark the hole locations. All the fixing points must be respected. After installation and before use, make sure that all fixing screws are tightened securely. DO NOT use the grab bar as a step. DO NOT sit on or hang from the grab bar.
